ALUMNI SOCIAL MEDIA

Ree Burton, mother of graduated choir student Seth Burton, has agreed to be our new Alumni Rep! She has created a Facebook page for GHHS Choir Alumni – GHHS Choirs Alumni Group. There is a link to it through the new Choir website. If you know any choir alumni, please pass along this information!

**STUDENT TO STUDENT
AFFIRMATIONS**

New this year is the opportunity for a student to give a “shout out” to another student, and have it printed in the Newsletter! Students will submit an Affirmation for something they saw as helpful or positive from another student.

Each month, one affirmation from each choir will be randomly selected and printed in the Newsletter. Encourage your student to look for positives in people, and then each month you can read about the wonderful things our Choir kids do that didn't go unnoticed!

WEBSITE

www.grandhavenchoirs.weebly.com

We are excited to announce a new Choir website – thanks to Ben Rodgers for working all summer to put it together! Please check out this site and bookmark it as information will be updated and changed throughout the year. It has a ton of information; a calendar, choir handbook, links to outside Choir groups, and much more!

Also, we need more pictures of our Choir kids – either performing or goofing off backstage, we'll take it! Please send it directly to Mr. Rodgers at rodgersb@ghaps.org.

FUNDRAISERS

With heavy budget cuts to all the music programs, including Choir, fundraising is critical to our continued success for both the Choir program and the Choir Boosters.

Throughout the year, you will see numerous opportunities to help out by buying and selling the fundraiser item. Everything adds up and is extremely helpful.

Some people choose to make a one-time donation to the Choir and Choir Boosters, and that is certainly helpful and appreciated as well!

More information about Fundraising will be discussed at the annual Family Potluck event.
